MAYOR'S MESSAGE

Dear Community:

I hope you all enjoyed the different Main Street events over the last week. In talking with folks, I heard that it was a lot of fun and many were able to enjoy their new and improved road, sidewalks, landscaping and, of course, the art. It is so amazing to see the power and communications lines underground and what a difference it makes.

I want to personally thank Dianne Brudnicki and the other members of the advisory group that spent a lot of time designing what we are all enjoying today.

Speaking of community events, SummerStage and the Farmers Market are still going on and I would encourage all of you to come out on Wednesdays for SummerStage and Thursdays for the Farmers Market. Each event has been a huge hit and it is fun to see so many families enjoying the concerts or shopping for local fresh food.

Another great event for August is the Dirty Paws Dog Walk that the Chamber of Commerce is hosting. It is scheduled for August 15th. I would encourage all of you who own dogs or like dogs, to participate. Please visit the events website www.duvalldirtypaws.com for more information on this great event.

On a different note, the city council and I have started the discussion on the 2010 city budget. As part of that discussion we are going to talk about community events. For this year, due to budget constraints, the city did not have much of a choice on asking the community to take a stronger ownership on the community events. What I want to know from you is: how well did it work? Did a scaled down Duvall Days work well? Did a shorter Summer Stage schedule work well? Do you feel the city should continue to work with community groups on the different events, or reduce other services and fund these events more? Please let me know your thoughts. I can be reached at will.ibershof@duvallwa.gov or call me at 206-255-2855.

Finally I will be at the Duvall Coffee House on August 15th from 9-10:30am if you wish to stop by and chat.

Enjoy the rest of your summer.

Will Ibershof

MAIN STREET CONSTRUCTION UPDATE

Work on the Main Street Project has finally come to an end! The City deeply appreciates all of the patience that local residents and businesses have shown during this process. This would have been impossible without everyone's support. If you haven't been down to the project since its completion, please come down and visit. With so many different aspects to the project we hope that everyone can find something special in it for themselves. We'd also like to thank our funding partners TIB, PSRC, WSDOT, and Dave Reichert's office. Total funding equals approximately 4.5 million dollars and will cover the majority of engineering and construction costs. Thank you all again and please continue to support Duvall!

KING COUNTY FIRE DISTRICT #45 CELEBRATES 50TH ANNIVERSARY

King County Fire District #45 began serving the citizens of Duvall and surrounding communities in September 1959. For the past fifty years the community's safety and well-being has been the number one priority for the Firefighters and Emergency Medical Technicians who work and volunteer at Fire District #45.

There have been countless memories created throughout the years and on Saturday, September 19, 2009 District #45 is celebrating by holding an Open House. There will be safety information booths, tours of the station, a ceremony at 1 pm, and light refreshments. The Open House will begin at 10 am and end at 4 pm. At this event the District is hoping to honor as many past and present career and volunteer Firefighters and Emergency Medical Technicians as possible; as well as experiencing the festivities with members of the community.

In addition to the celebration, District #45 wishes to have a commemorative art piece to display at the fire station during the celebration as well as the years to come. Currently, the only requirement of the artwork is that it honors the fifty years of service to the community. If you are an artist and would like to create a 50th anniversary piece we would love to meet with you and hear or see your ideas.

If you are a past member who would like to be involved with the celebration or an artist who would like to create an art piece for District #45 please contact Terre Jones at tjones@duvallfire45.com or Rosa Fuquay at rfuquay@duvallfire45.com, 425-788-1625.
